)	INTERVENE
)	OUT OF TIME

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition to Intervene Out of Time in this Docket by Robert T. Howe, a consultant with Technologies Management, Inc. Howe alleges that his firm provides consulting services to the telecommunications market, and that certain of his company's clients are now providing, or plan to provide in the future, telecommunications service in the State of South Carolina. Howe petitions this Commission to Intervene Out of Time based on this, plus the fact that he received the Notice of Filing during the Christmas holidays, but that the time for intervention had passed. Howe respectfully petitions the Commission to be admitted as a formal party of record on behalf of Technologies Management, Inc.

The Commission has studied this matter and has determined that no prejudice will result to any party or to this Commission by allowing Howe to intervene. The Commission is therefore of the

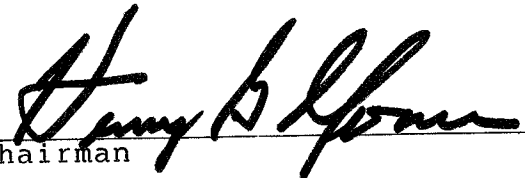

opinion that the Petition to Intervene Out of Time should be granted.

IT IS THEREFORE ORDERED THAT:

1. The Petition to Intervene Out of Time filed by Robert T. Howe is hereby granted.

2. That this Order shall remain in full force and effect until further Order of the Commission.
